Forge Valley CC 61/2 drew with Cloughton CC – Rain Stopped Play

In horrible conditions at Wilsons Lane due to lunchtime rain, the visitors invited Valley to bat. Nigel Kendrew and Mick Glew took guard with the game already reduced to 40 overs. Glew fell early, caught at deep third man off a top edge from paceman Mark Wells for just 6. Josh Cooper followed, deceived by an off cutter from the ex-Scarborough bowler, but Kendrew stood firm and started to show his array of strokes as he made 35 not out (5x4) and with skipper Dave Morris at the other end (12no) the side looked in good nick at 61/2 after 17 overs before the rain scuppered any further chance of play.
